Attached is a 1900-55 for RnB that ends last Sunday. Miguel had to finalize to close out month, so anything you feel belongs to Gold King can be adjusted on the next. I think the pending for lodging for the crew could be cut as some lodging costs should go to Gold King. Open to any other suggestions you have, I'll get a good idea on this weeks costs as soon as I finalize this weeks time. Im thinking we'll get through the effort next week, but wont likely have enough left to tear down the site, close it up and demobe later.
